EXPRESSION OF INTEREST FOR THE SUPPLY OF COLOUR PRINTING SYSTEMS ON POLYCARBONATE

The Istituto Poligrafico e Zecca dello Stato is interested in considering Expressions of Interest (EOI) from companies capable of supplying systems for printing variable data on polycarbonate. These systems shall use colour inkjet inks with a printing resolution of no less than 600 x 600 dpi suitable for heat laminating polycarbonate layers in ID1 sized cards manufacturing process.

Interested companies will be requested to provide information on technical features, distinguishing factors and performances of the systems to be offered.

Once selected, the eligible companies shall be involved in development and fine-tuning activities as follows:

- ink adjustment according to the production parameters of IPZS cards' manufacturing processes;
- optimization in variable data personalization printing process, with special attention to photograph quality.

To this end a specific Non-Disclosure Agreement shall be signed and test conditions and requirements, as well as product acceptance criteria shall be provided.

Interested companies shall send their request for a contact to IPZS certified e-mail address protocollo@pec.ipzs.it **and** e-mail address bandigara@ipzs.it **no later than 12:00 a.m. of May 29, 2015.**

Applications shall indicate the mailing address to which IPZS' communications shall be sent. Applications and supporting documents shall be submitted in Italian or English. Eventual clarifications can be requested to the following e-mail address: la.luciani@ipzs.it.

This announcement is for market research purposes only and no proposal received shall be in any way binding for IPZS. Neither the companies submitting their Expressions of Interest, nor those contacted by IPZS during the market analysis will be therefore for any reason entitled to claim any right.
